

June Newsletter

I guess mother nature is making up for the dry conditions we have had the last several months. Hopefully we can get a break in the rain to get caught up with rough mowing.

The newly sodded greens are looking good and should look better and better by the weeks to come. We will be aerifying our greens (pulling plugs) this month and should help in the overall health throughout the summer.

The May MGA tournament was held Saturday the 16th. The winners of the one- person scramble were Frankie Tays, 1st place gross and there was a tie for 1st place net between Ray and Angela Weaver. Next months MGA tournament will be a two-person scramble on Saturday, June 20th at 10:00 am.

We will be starting the Thursday afternoon scrambles beginning on June 4th at 5:30 pm every two weeks. The schedule is as follows; June 4th, June 18th, July 2nd, July 16th, July 30th, August 13th, and the last one on August 27th. Entry fee will be \$10.00 cash and all players will need to sign up in the proshop.

Our new member app and member portal was delayed until this month and should be live in the next few days.

Congratulations to Don Thomas for his hole in one on #6 witnessed by Blaine Lamb, Jason Jarrell and Chase Boudreaux.

Kerry Lamb, Pro/GM
